Cesar is a hard worker and brings a smile to each day. You will see him driving residents to appointments, outings to a favorite spot, and shopping with residents. He also is more than willing to pitch in when needed in Maintenance, Kitchen, Front Desk and Activities. Cesar is truly a team player! We are all very lucky to have Cesar as part of our team.

Congratulations!

We got a call that our dad wanted us to come to Park Regency because he was upset about his oxygen not being set up. When we arrived, Gisela was setting it up. It was time for her to be off work, but she told him she would do it before she left, she was very sweet and sincere. He was obviously very impatient and upset, but it was very important to him and she kept her promise to him. Great job Gisela! You are continuously going above and beyond!
